

GROSGRAIN

2023 Albariño
Walla Walla Valley
100% Albariño

Our Albariño is sourced from the 2 acre Philips Vineyard, which is located in front of the Philips family's home on the valley floor in Walla Walla, just a short drive from our winery. This small vineyard is planted entirely to Spanish varieties (Albariño and Tempranillo).

The wine was primarily fermented and matured in concrete egg (45%) with the remainder in the mix of neutral barrel (20%) and stainless steel (35%) and remained on the lees for 5 months until bottling.

Crisp, fresh and acid-driven with aromas of asian pear, apricot, wet stone and sea spray.

CASES: 450
ALCOHOL: 13.6%
PH 3.34
TA 7.8
