

GROSGRAIN

2023 Semillon Pétillant Naturel

Walla Walla Valley

100% Semillon

Sourced from Block 4A, the lower and cooler of the two Semillon blocks at Les Collines Vineyard in the foothills of the Blue Mountains. Bottled towards the end of fermentation, and disgorged to remove the yeast shortly after fermentation completes in bottle, resulting in a naturally sparkling wine that is crisp, clean, and dry.

Frothy and vibrant with creamy bubbles and nervy acidity. The nose presents generous aromas of nectarine, acacia flower, sea shell, and lemon zest.
