

GROSGRAIN

2022 Kenny Hill Grenache Walla Walla Valley 100% Grenache

Kenny Hill is a unique site located in a high elevation area of the Walla Walla Valley known as Mill Creek, one of the few areas in our region that can be dry farmed due to the increased rainfall. This site produces a more structured style with deeper color, firmer tannins and increased acidity, making this a tru vin de garde that will evolve well over the next decade. Aged 18 months in neutral French Oak.

Deep ruby hued and structured with fine tannin and pronounced aromas of cherry, liqueur, plum, allspice, coca and graphite.
