## 2023 Columbia Valley Grenache

Columbia Valley  
100% Grenache

Our Columbia Valley Grenache is a blend of three great sites (Seven Hills, XL, Red Heaven), and displays a broader look at the great 2023 vintage compared to our single vineyard wines. This wine showcases the pure joy and drinkability that can be found in our region's Grenache. Destemmed and fermented gently at cool temperatures resulting in an elegant style. Aged 11 months in neutral french oak puncheons and

barriques.  
Bright, transparent ruby color and redolent of ripe raspberry, starwberry, baking spice and wild Washington herbs.
