

GROSGRAIN

2023 Ribolla Gialla

Walla Walla Valley
Grosgrain Vineyard
100% Ribolla Gialla

Our planting of Ribolla Gialla at Grosgrain Vineyard is the first in the Walla Walla Valley and this is our inaugural release. Mostly found in the Friuli region of Italy and neighboring Slovenia, Ribolla Gialla has thick, flavor-packed skins, which makes it one of the world's great grapes for orange wine production. The grapes were fermented on their skins for two weeks before aging in neutral barrels for 11 months. Unfined and unfiltered.

Deep gold with chewy tannins and aromas of spiced quince, toasted nuts, honeysuckle and black tea.
